

Optical Services & Sales Limited

PK System Service

Optical Services & Sales Limited have successfully repaired and serviced the complete range of PK Technology systems (Beaverton Oregon) worldwide for over 25 years.

Our service engineers each have over 25 years experience repairing and servicing PK equipment including models PK2200/10, PK2400, PK2500, PK2600 and FOA-2000.

We can provide from just an on-site single emergency repair/service visit to flexible maintenance contracts, which include an annual service/performance assurance visit and a selected or unlimited amount of emergency visits.
